Adverfix is a new online advertising agency, built from experienced minds.

Adverfix was founded by professional online marketers with more than 12 years of experience.

Adverfix can provide a small, medium or large company a one stop shop for all their online advertising needs.

Adverfix's team innovation and cutting edge technical skills will help you achieve your online goals.

The company has the tools and contacts to bring any business to higher levels of operation.

For publishers / website owners they offer 100% monetization of the traffic, worldwide.

I'm using their network and I got paid very nice sums. You should give them a try.
